

Remi Wins Charlotte's Fast 50 Award for 2nd Consecutive Year

Brent Howison, President of Remi

December 5, 2013 – For the second consecutive year, Remi was awarded the Fast 50 Award by the Charlotte Business Journal. The top 50 fastest-growing privately-held companies in the Charlotte area are recognized at an annual award luncheon, and rankings are based on a formula that reflects dollar and percentage growth during a three-year period determined by CliftonLarsonAllen, a local accounting firm.

Earning this prestigious, regional award a second year in a row is a testament to the continued hard work of the employees and the company's unwavering dedication to customer service. This year, Remi ranked 50th and joins companies such as C5 Insight, Costner Law Office, and Bradford Management Group/Talent Bridge just to name a few. Brent Howison, President of Remi, accepted the award on behalf of the company and attended this year's award luncheon at The Ritz-Carlton, Charlotte with Tommy Beecher, Remi's Director of Pricing. "It was an honor to attend the Fast 50 awards luncheon for the second year in a row. The event was a neat opportunity to meet like-minded entrepreneurs and to recognize the hard work of so many," remarks Tommy. "I'm proud to be a part of a company where the visions of our leaders are being executed and success has followed."

As 2014 quickly approaches, Remi looks forward to a new year and new opportunities for growth.
