

Are these areas impacting your healthcare facility?

## REMI HAS THE SOLUTION

### COST CONTAINMENT

Are you paying more than you should for maintenance?

Are you incurring capital expenditures before you need to?

**Remi Solution:**

- Alternative methods of maintenance
- Data to drive fact-based negotiations

### PATIENT CARE

Are you able to serve customers as quickly as possible?

Is your equipment properly maintained for optimal functionality?

**Remi Solution:**

- Preventative maintenance management
- Equipment up-time management

### EFFICIENCY

Is your staff spending too much time on non-core duties?

Are you comfortable that your equipment inventory is accurate?

**Remi Solution:**

- One company to manage all maintenance issues
- Maintenance scheduling & vendor follow-up

### INFORMATION

Do you have any leverage on your equipment service vendors?

Do you have all the tools to successfully negotiate with vendors?

**Remi Solution:**

- Network of vendor relationships to utilize as leverage
- Time & material and contract data to drive industry best pricing
