

# Unlock the Value in Your Service Contracts

**Save an average of 20% on equipment maintenance and repairs for mission-critical ASC equipment, including:**

- Up to 30% off X-ray/C-arms from GE, Philips and more
- Lasers from Candela, Cutera, Cynosure, Lumenis and more
- Surgical microscopes from Carl Zeiss, Meditec, Leica and more
- Surgical power tools from Stryker, Conmed Linvatec and more
- Endoscopes from Smith & Nephew, Stryker, Olympus and more
- Ultrasounds from GE, Philips, Siemens and more

## A simpler, smarter approach to service and vendor management

### Contract Consolidation

Enjoy one renewal workflow and unmatched flexibility with a single evidence-based service agreement

### Standardized Service Management

Eliminate the chaos of managing multiple service events through a standardized and formulary-driven workflow

### Vendor Performance Monitoring

Improve quality outcomes through nationally-benchmarked insights and service event oversight

### Digitally-Powered Experience

Efficiently manage your operations through transparent data insights and digitized workflows

### Lower Costs

Reduce costs through proprietary data insights and aggregated peer demand

## Try Remi Risk Free

Upload your current equipment service contracts and let us provide you with an alternative quote. If we offer similar coverage for less, consider us. If we don't, stay with your current service contract. Requesting a quote costs you nothing.
